uploaded by smells_like_roses CONTRACT KILLER: ZOMBIES (NR) Mod CONTRACT KILLER: ZOMBIES (NR) [MOD] V3.1.0 Features: Gift weapons purchasedAcquired almost all weapons that can only be purchased for GLU coins. A note: the Prefix (NR) stands for Not Rated (or Better), which suggests the presence in the game increases the brutality of combat scenes compared to the original publication gameplay here are very similar to those in Dead Trigger: performing a variety of missions, Moreover, it is necessary that to survive in the teeming undying city by transporting food from dangerous places, and to save comrades in trouble, which, thankfully, cannot fight for ourselves, fire from the zombies. Also in Contract Killer: Zombies (NR) Android game there are a large number of locations and weapons, great graphics, fit any device, interesting music. All of this will taste of any fan of zombie shooters. CONTRACT KILLER ZOMBIES 2 continued the story of a rather good zombie shooter. The new part of the game is a third-person shooter with beautiful graphics and good play. You'll play as Evelyn, a young girl, who fights with zombies and eventually finds the truth about what happened in the secret research center and turned people into zombies. The thousands of enemies have unique appearances, unique design and unique abilities. The game also has a lot of terrifying photos such as secreted limbs, blood, heads flying to bits and other things. Graphics, animation, detailed design of models and special effects are beautiful and qualitatively made. You'll have to carry out a variety of missions, such as people saving, area cleaning, supplies gathering and so on. The game also has a survival mode, in which you will have to fight with numerous zombies. There are also battles with bosses in the game; you will have to use your tactics to defeat them. To fight effectively during the game you will have many weapons, such as bats, knives, pistols, machine guns, shotguns, and grenade launchers. Your heroine can simultaneously carry several kinds of weapons and ammunition. During the game you will detect what kind of weapon is most effective against a certain kind of zombie. Unfortunately, you can get most of the weapons just for real money. Contract killer: Zombies 2 – it's a shooter from the 3rd person to an Android, in which you shoot the zombies.
